CHARITY AND HUMANITARIAN OUTREACH

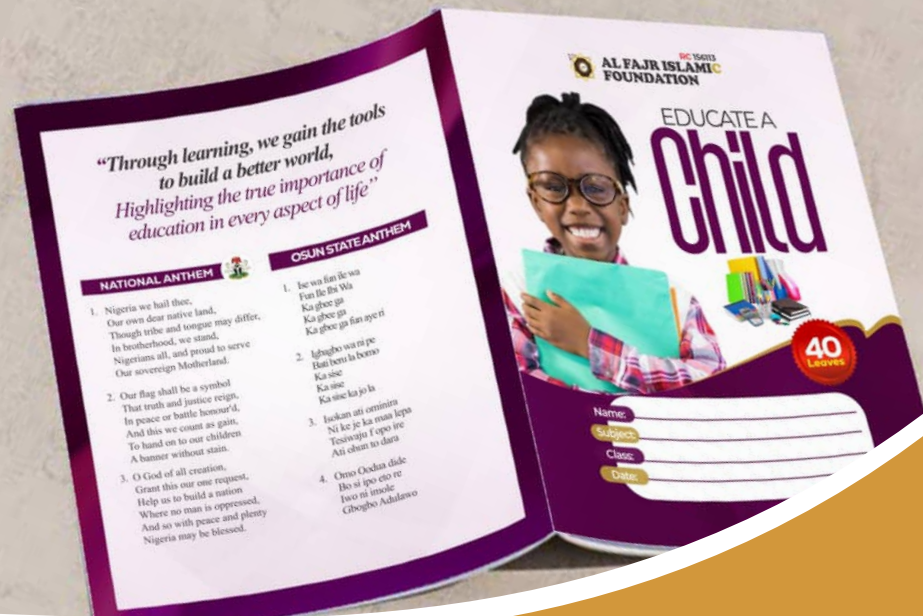

At Al Fajr Islamic Foundation, we extend our commitment to humanitarian values through our dedicated charity initiatives. Our charitable works aim to make a positive impact on the lives of those in need, reflecting the principles of compassion and social responsibility inherent in Islamic teachings.

One facet of our charity efforts involves visiting prisons to provide nourishing meals to the incarcerated individuals. Additionally, we advocate for the rights and freedom of prisoners, striving to create awareness and support for their release. For those facing fines as an obstacle to their freedom, we actively raise funds to alleviate this burden, contributing to the restoration of their lives beyond incarceration.

Our charitable outreach also extends to the most vulnerable members of our society, including orphaned children and those out of school. Through various programs and initiatives, we strive to provide essential support and care for these young individuals, ensuring they have access to education, basic needs, and a nurturing environment.

At Al Fajr Islamic Foundation, we firmly believe in the transformative power of charity, and we are dedicated to making a meaningful difference in the lives of those facing adversity. Join us in our mission to spread compassion, advocate for justice, and uplift the marginalized within our communities.

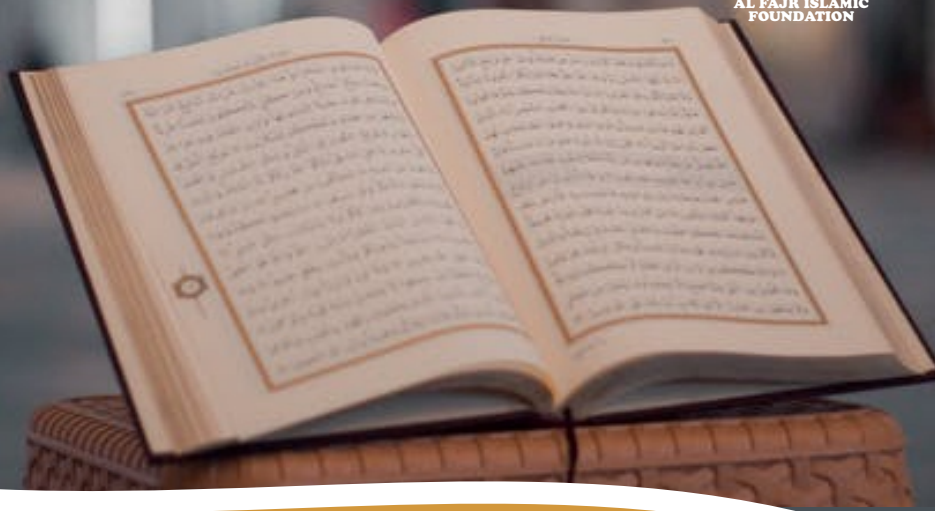

EDUCATIONAL SPONSORSHIP & ADVOCACY

Education is a key right and responsibility in Islam. Yet, many Muslim children are hindered by poverty and systemic inequality. Through our **Educational Sponsorship & Advocacy programs**—such as the **Educate A Child Initiative**—Al Fajr Islamic Foundation works to ensure no child is denied access to basic education.

We raise funds, facilitate (scholarship) sponsorships, and engage stakeholders to advocate for inclusive, affordable learning environments. By focusing on vulnerable children, especially orphans and those in underserved communities, we aim to bridge the educational gap and help shape a better future for our ummah.

FAITH-BASED EDUCATION & RELIGIOUS LITERACY

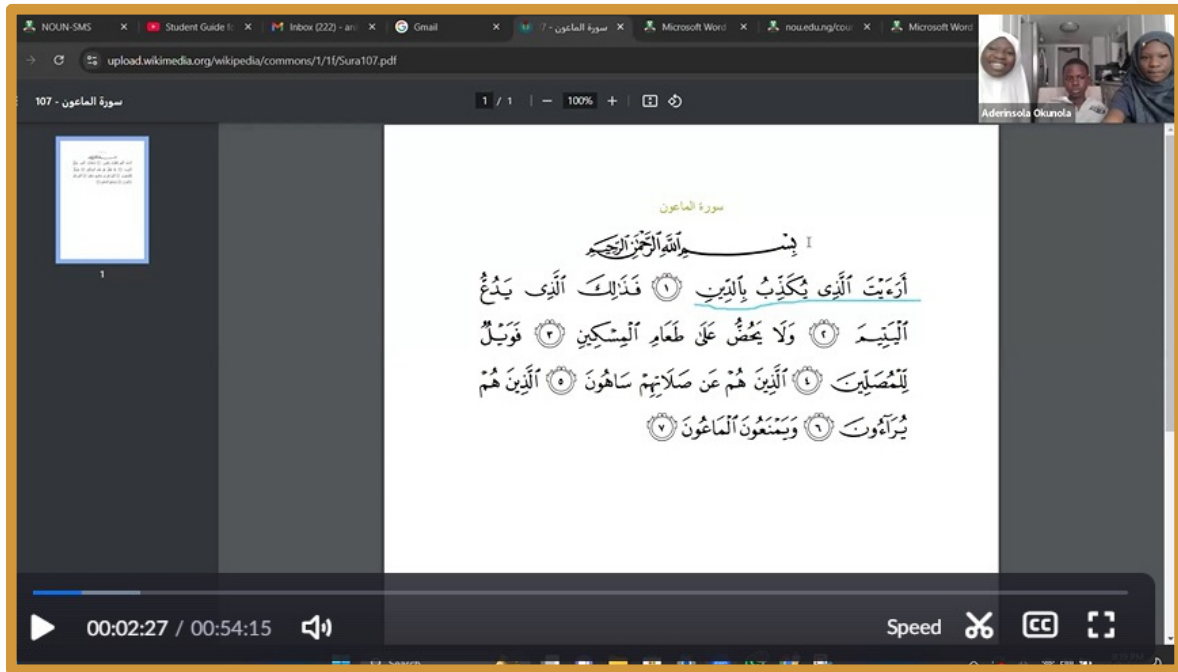

At Al Fajr Islamic Foundation, we take pride in our commitment to providing a holistic education that encompasses not only academic excellence but also a profound understanding of Islamic teachings. A fundamental aspect of our educational philosophy involves imparting knowledge about the core principles of Islam.

Our dedicated team at Al Fajr ensures that students receive comprehensive instruction on Islamic fundamentals. From the pillars of Islam to the rich history and traditions, our curriculum is designed to instill a deep appreciation and understanding of the Islamic faith.

We believe that a well-rounded education includes not only intellectual development but also spiritual growth. Through engaging lessons, discussions, and activities, we aim to nurture a strong connection to Islamic values and principles among our students. Our goal is to equip them with the knowledge and understanding necessary to navigate the world while upholding the teachings of Islam.

At Al Fajr Islamic Foundation, we view Islamic education as an integral part of shaping responsible, compassionate, and informed individuals. By blending academic excellence with Islamic teachings, we strive to empower our students to lead purposeful lives grounded in faith and knowledge.

Join us on this journey of holistic learning, where the nurturing of both the mind and the spirit is at the heart of what we do.

ARABIC LANGUAGE LEARNING FOR BEGINNERS

At Al Fajr Islamic Foundation, we extend our commitment to education by offering Arabic Language Learning for Beginners as part of our comprehensive services. Our dedicated program is designed to cater to both the old and new generations of learners, transcending geographical boundaries through in-person and online instruction.

In our Arabic Language Learning courses, we focus on equipping children with the essential skills to read and write in Arabic. This endeavor is rooted in the belief that a strong foundation in the Arabic language not only fosters a deeper connection to Islamic texts but also opens doors to a rich cultural and linguistic heritage.

Our experienced educators employ engaging methods to make the learning process enjoyable and effective. Whether in a traditional classroom setting or through our online platform, we strive to provide a supportive and enriching environment for students to embark on their Arabic language learning journey.

For those seeking to instill a love for the Arabic language in their children, our program offers a valuable opportunity to cultivate this proficiency. Join us at Al Fajr Islamic Foundation as we pave the way for individuals, regardless of their location, to embrace the beauty of the Arabic language and its significance in understanding the Islamic faith.

RAMADAN IFTAR PROGRAM

Iftar is the traditional sundown meal that breaks the Ramadan fast observed by Muslims around the world in the month of fasting.

Muslims worldwide fast from dawn to sunset, abstaining totally from food, drink, sexual pleasure, smoking, and other sensual pleasures to complete one of the five pillars of Islam and to achieve greater self-discipline, self-purification, and compassion for those less fortunate. This fast is observed in Nigeria by the Muslim communities, however, some families do not have the means and provisions to afford Iftar meals; thence, thus making their Ramadan season very challenging.

This lack and insufficiency have brought forth a lot of frustration among our Muslim brothers and sisters and deprived them of the right to enjoy the dear faith of Islam.

During the month of fasting, Muslims are encouraged to be particularly charitable. Feeding people at the end of the fasting day represents a very rewarding spiritual act according to Islamic tradition and teachings. As the popular saying goes, “When the

month of Ramadan arrives, the doors of mercy are opened”. This is why at Al Fajr Islamic Foundation, we are seeking partnership in form of financial support to distribute Iftar food in a program we have called **“RAMADAN IFTAR FOOD DISTRIBUTION PROJECT”**.

In Iftar Food Distribution Project, we do reach out with food to our needy brothers and sisters across the country, specifically the southwestern region, which consists six state, namely, Lagos, Oyo, Osun, Ondo, Ekiti and Ogun respectively. This region houses Forty million (40,000,000) Muslim residents as estimated of which majority faces food shortages and hunger, mostly during the month of Ramadan.

ZAKAT COLLECTIONS AND DISTRIBUTION

At Al Fajr Islamic Foundation, we proudly incorporate the essential Islamic practice of Zakat (alms-giving) into our array of services. Zakat, derived from the Arabic term meaning 'to purify,' is a fundamental pillar of Islamic faith and a mandatory duty for eligible Muslims once every Islamic lunar year.

This act of worship and charity holds profound significance as it serves to purify one's wealth and build a divine connection with Allah SWT. Calculated at 2.5% of the excess wealth, Zakat is obligatory on financial assets that remain unused for living expenses. By fulfilling this sacred obligation, Muslims contribute to the well-being of the community, fostering a sense of unity and compassion.

Allah SWT says in The Holy Quran:

"Those who perform As-Salat (Iqamat-as-Salat) and give zakat and they have faith in the Hereafter with certainty." (Surah Luqman, Chapter 31, verse 4)

At Al Fajr Islamic Foundation, we facilitate the proper calculation and distribution of Zakat, ensuring it reaches those in need and serves as a means of support for the less fortunate. Our commitment to Zakat reflects our dedication to upholding the principles of social justice and communal welfare embedded in the teachings of Islam.

Join us in the noble act of Zakat, as we strive to make a positive impact on the lives of others and purify our wealth in accordance with the divine principles of Islam.

EID SACRIFICE (QURBANI)

At Al Fajr Islamic Foundation, our commitment to community welfare extends to the important tradition of Eid Sacrifice. This integral aspect of our program involves assisting those in the community with the means to perform sacrifices such as cows, rams, and other offerings during the auspicious occasion of Eid.

Our initiative focuses on promoting a sense of unity and solidarity within society, emphasizing the spirit of sharing and caring for the less privileged. We collaborate with individuals who have the capacity to make these sacrifices, facilitating the process to ensure that the blessings of Eid are extended to those who may be in need.

By engaging in Eid Sacrifice, we aim to foster a community where the joyous celebrations of Eid are shared with everyone, regardless of their economic circumstances. This thoughtful initiative not only adheres to the principles of Islamic generosity but also serves as a tangible expression of compassion and solidarity among community members.

Join us at Al Fajr Islamic Foundation in spreading the spirit of Eid Sacrifice, as we work together to create a more inclusive and caring society, where the blessings of festive occasions are truly shared with all.

MARRIAGE AND FAMILY LIFE PROGRAMS

In today's fast-changing society, the family unit remains the cornerstone of strong Islamic values. At Al Fajr Islamic Foundation, we are committed to nurturing healthy marriages and strengthening relationships through our Marriage & Family Life Programs. These include **Islamic-based marriage counseling, relationship strengthening sessions, and engaging talk shows such as our upcoming Muslim Family Series**. This initiative creates a space for couples to reflect on faith, communication, parenting, and shared responsibility within the home. Through this, we aim to reduce marital stress, increase love and understanding, and promote the Sunnah model of family life rooted in mutual respect and mercy.

Through comprehensive studies and surveys, we strive to develop effective techniques and skills to strengthen familial bonds.
